AVENGER OF THE MAYAS (THE)

A hoard of savages, headed by Cruno, attacks a village where the peace-loving Uriahs live, with the intention of carring off Princess Aloha and presenting her to the giant Goliath, in the hope of making an alliance with him. But the girl escapes, only to fall into the hands of the ferocious Manur tribe. Goliath joins forces with the Manur to fight Cruno, but Hercules, comes to the girl's rescue and destroys all her enemies.
