EMANUELLE DO UT DES

Emanuelle – Do ut des received the "Best director" award at MAFDA 2022.

Leonardo, the main character, is a successful entrepreneur, but his story will intersect with that of Francesca, a college student and part-time model. Because of her past, the girl refuses any physical contact with Leonardo. When Emanuelle, a writer who is conducting an experiment on sexuality, crosses paths with Leonardo's life, she will begin a game with Francesca where the boundaries between good and evil will eventually mix.
