

# TOP MODEL

Sarah Aspron and her editor, decided to write a new book about upper class prostitution. They open an elegant escort center where actress, models and Sarah works. Sarah plunges into her work with enthusiasm leaving apart her private life and her fiancè. Clif, a young computer technique, arrives to the center. Sarah beautiful and provocative represents an enigma for him as well as he does for her. Clif is going through a difficult moment, he has to decide whether or not to start a gay relation. They get involved sentimentally. Sarah is ready to give up everything for him until she gets to the airport.
